EMBRACE THE VIBES, FEEL ALIVE

April 6, 2024
5:00pm-10:00pm

About The Event

Welcome to the 8th Annual Music Festival at Grand Hampton – the crown jewel of our community's events! As the largest gathering at Grand Hampton, this festival has become a celebrated tradition, and we are thrilled to invite you to join the excitement. Taking place on April 6th, 2024, our festival stands out as the only premier community event in the Tampa area featuring multiple bands performing on a professional stage. Attendees can indulge in the vibrant atmosphere, savoring delicious offerings from food trucks, and engaging in various activities designed for the enjoyment of residents. Beyond the festivities, our festival holds a special place in our hearts as we proudly partner with Instruments of Change, a non-profit organization committed to providing less fortunate youth with the gift of music "ONE NOTE AT A TIME." This year, we were honored to welcome back Glen and Kelly Schubert, the founders of Instruments of Change, and through the Music Festival, we continue our dedicated support for the music program they have tirelessly worked to establish. Join us in making April 6th a day to remember, filled with music, community spirit, and the joy of giving back.
